

## Welcome to the Petroleum Club of Anchorage!

We're so glad you chose to be a part of Alaska's premiere social, dining and networking club. You will find that the more you use the club, the more people you will meet. To give you a head start, please take a few minutes to answer the questions below. We will share them with our membership, so they may get to know you. We will post the information on the club's bulletin board outside the lounge, and in the monthly PCA newsletter, *The Pipeline*. Please drop this completed form, along with a recent headshot of yourself to the club or email it to Tracy Dumas at [marketing@petroclub.net](mailto:marketing@petroclub.net). Thank you for your cooperation and welcome to the Club!
