Club Holiday Hours:

The PCA will close at 3:00PM on August 30th and will remain closed through September 2nd for Labor Day. We wish our members a safe and happy holiday weekend!

Have a question about the PCA or how to utilize your membership?

ASK THE CLUB

We asked members to share their questions with us about the Club. Here are a few queries we received last month and the answers to them.

I know someone who I think should join the club. What's the best way for me to do that?

Invite them to join you for a meal, a drink, or at one of our events. Sharing your club by letting a friend or colleague experience it for themselves, is the best way to get someone to join. Membership packets are available in our lobby and on our website, www.petroclub.net There are several types of memberships – regular, associate, young professional, or military. Potential members can also ask for a tour of the club. Any members of our staff are happy to show interested people around and answer questions. Once someone decides to join, they must completely fill out the application and turn it into the front desk or email it to Vicki Myers, vmyers@petroclub.net. The application will be turned into the Membership Committee which meets once a month to accept new members. If accepted, the applicant will get a phone call welcoming them to the PCA.

Jessica Thomas

I heard the Club's Events Coordinator, Kristy Kemp is going on maternity leave this month. Who's filling in for her?

The PCA's Jessica Thomas will be filling in for Kristy, so please contact her at events@petroclub.net if you need to book a holiday party, sponsor night, or other special event.

ASK THE CLUB

We'll answer your question in the newsletter and post on www.petroclub.net
email marketing@petroclub.net or drop this card at the front desk.

Do you have a question about the PCA? We want to hear from you! Fill out an Ask the Club card next time you visit or email your questions to Sheri Underwood, General Manager at gm@petroclub.net, Tracy Dumas, Communications at marketing@petroclub.net or Kristy Kemp, Events Coordinator at events@petroclub.net.

MESSAGE FROM THE PRESIDENT

Dear Members,

I want to start this month's letter with a safety moment. School is back in session, buses are running, and kids are outside either walking to school or waiting at bus stops. Please drive carefully with purpose, follow the speed limits set in school zones and be safe. For some of you, kids back in school means more time to spend at the Club. Fortunately, there is plenty going on at the PCA this month to enjoy.

Highlights for September include a new event, Wednesday Night Wines. This will be a monthly wine tasting event with the first one on September 4th featuring all Pinot Noir, Old World vs. New World. \$20 gives you a 3-ounce pour of four different wines in the lounge from 5:00-7:00 p.m. (or until gone). No reservations are required. A new season of football at the Club starts Sunday, September 8th. Chef John is working on a new brunch menu with breakfast, lunch, and snacks to keep you satisfied while you catch the games, so be sure to come hungry! Come back

to the Club for Monday Night Football as well, which starts on September 9th. Sponsorship opportunities are available on Monday nights to host a tailgate-themed party. Contact the Club at events@petroclub.net to see how hosting a Monday Night Football party can work for you.

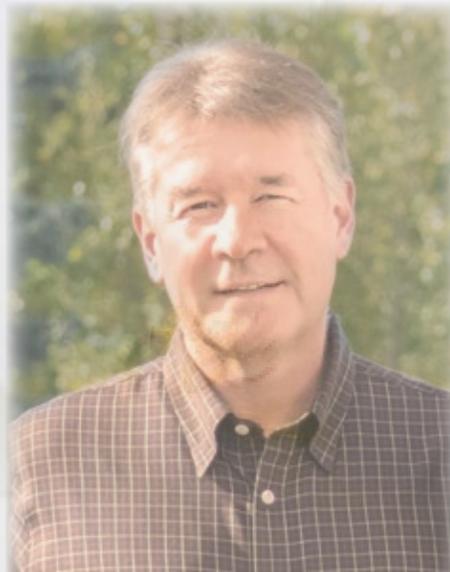

Into shooting? The Ron Allen Memorial Sporting Clays Shoot is coming up on Saturday, September 14th at the Birchwood Shooting Range in Chugiak. Please contact Tom Hendrix to register as a team or individual shooter. This is a great annual event to honor the memory of a well-liked PCA Member, Mr. Ron Allen.

RSVP for the Delmonico Steak Dinner, September 18th at 6:00 p.m. And ladies, be sure to attend our women's networking dinner, Little Red Dress, on September 25th. The evening features two speakers - PCA Member Kathleen Redmond and her colleague, Heather Rhodes. Both work for

ACS and head up a women's leadership group. Join your friends at the Club to hear these ladies speak, network with other successful Alaskan women, and enjoy a 4-course paired wine dinner. End the month with Fridays at Five, a monthly mixer featuring food, drinks, & live music. This fun event returns on September 27th. Finally, the patio will remain open as long as the weather allows, so be sure to take advantage of dining outside! Remember, the fire pits are there to keep it cozy as cooler temperatures settle into Southcentral, so enjoy the patio while you can.

I look forward to seeing you all around the Club at some of these wonderful events.

- Deirdre Coots, President

LITTLE *Red* DRESS

Twice the Power

Ladies, mark your calendars for September 25th at 6:00 p.m. as we welcome two amazing speakers to headline the PCA's Little Red Dress Women's Networking Dinner: Kathleen Redmond and Heather Rhodes.

Kathleen is the Director of Strategic Sales at Alaska Communications (ACS), responsible for Strategic Initiatives. Also a PCA Member, Kathleen has worked in telecom for more than 25 years and is the founding member of the Women in Leadership, Advancement and Diversity Committee (WLEAD) at ACS. Since its inception in 2015, WLEAD promotes the advancement of women in the workplace through mentorships along with career coaching and development. Kathleen grew up in Montana and has a Bachelor of Science degree in Business Administration, Sales Marketing from the University of Montana and an Executive Master's degree in Information and Communication Technology from Alaska Pacific University. Favorite pastimes are running, biking, and swimming; she has participated in the Gold Nugget Triathlon, Eagle River Triathlon, and Mayor's Half Marathon. In the winter, you will find her on the cross-country ski trails, Fat Tire biking or quilting.

Her co-speaker, Heather Rhodes, was elected into WLEAD in 2016 and became its committee chairperson the following year. She has been part of ACS's marketing team since 2011 and continues to succeed through training, mentorships, promotions, and leadership development. Her goal is to retain and elevate a strong, diverse leadership workforce while encouraging conversations of change and equality. The oldest of three girls, Heather grew up mostly in Alaska, camping, fishing, hiking, and playing in the dirt. She believes that "adventure is everywhere" with the Alaskan spirit that we can climb any mountain and achieve any goal. After attending Montana State University on a sports scholarship, Heather eventually returned to Anchorage earning her degree in Journalism and Public Communications from UAA with an emphasis on PR, advertising and marketing. Her resume includes AT&T, SeneGence, NANA, and ACS where she remains today. She defines success like Superman and the Girl Scout mantra: Leave your space better than when you found it and use your powers for good.

Get inspired by Heather and Kathleen's energy and success as you learn, network, and enjoy a 4-course paired wine dinner at the Club. Menu features Poke Cucumber Wrap appetizer, Spinach Caprese Salad, Grilled Pork Tenderloin with Sweet Potato Succotash & Zucchini Gratin, and Peach Strudel for dessert.

\$79 per person, reserve a seat for yourself or a whole table of friends by September 22nd at www.petroclub.net under the social calendar.

Thanks for a Great Summer on the Patio!

It's been an amazing summer on the PCA Patio! And we're not quite done yet. The Patio will remain open as long as the weather allows. We hope you enjoyed this first full season on what's become a fantastic addition to the Club.

We look forward to many more years of outdoor dining and relaxing with friends and once again, would like to thank our generous sponsors for making the dream of a patio a reality.

Petroleum Club of Bakersfield

There's Another Petroleum Club Awaiting Your Visit...

About two hours northwest of Los Angeles, you'll find the Petroleum Club of Bakersfield (PCB). The PCB is member owned and has a commitment of excellence as a gathering place for the area's movers and shakers. Since its start in 1952 by Kern County members of the petroleum industry, the PCB is locally known as a prestigious venue for business meetings and social gatherings. The Club is located on the twelfth floor of Bakersfield's tallest building, Stockdale Tower, offering impressive views of the surrounding valley.

Inside you'll find a diverse group of individuals enjoying all the benefits a private club has to offer. From casual lunches to formal dinners to cocktails in the lounge, the PCB prides itself on exceptional service and high-quality food. Menu items include Seared Sesame Ahi Tuna, Balsamic Steak Salad, Rack of Lamb, and Mushroom Risotto. Members and guests can relax during Happy Hour, including 30% off all bottles of wine on select days, Tacos & Tequila Tuesdays, and Thurstini Thursdays featuring \$4 martinis. In addition to their great dining options, the PCB offers plenty of events during the year to keep members engaged including an annual golf tournament coming up on September 6th, a Poker Night, an Elvis-themed dinner and show, a Cigar Club, and a Yoga & Wine Night every Monday. The Club also has a fully-equipped fitness center with showers and lockers available and provides an event staff to help plan everything from weddings to business meetings.

Outside the Club, the city of Bakersfield offers plenty to do. Take a stroll in the Park at Riverwalk, learn about the region's flora and fauna in the Buena Vista Museum of Natural History, or catch the fast-paced action of the Kern County Raceway. While the PCB does not offer on-site lodging, there are plenty of nearby accommodations. Visit another petroleum club next time you find yourself in Southern California: The Petroleum Club of Bakersfield.

friday AT FIVE

It's Back!

As if you needed another reason to love Friday...our monthly social with food, drinks, and live music returns this month for the fall and winter. Join your friends at the Club for Friday at Five - the last Friday of the month. This is a great chance to reconnect with fellow members, introduce someone new to the Club, or simply unwind from your busy week in a familiar and comfortable space.

Our musical guests will be Tom Bargelski and Joe Eunice. Born and raised in Baton Rouge, Louisiana, Joe was touring in Alaska when Hurricane Katrina wiped out most of the clubs where he was playing in New Orleans and

the Mississippi Gulf Coast. He moved to Anchorage in October 2005 and quickly became one of the most in-demand bassists playing with a variety of local jazz, blues, and rock artists and continues to do so today.

Keyboardist, Tom Bargelski, has played with big names such as Bob Hope and Rich Little. He's also performed with local musicians including Ken Peltier, Joey Fender and Veronica Page. Born in Syracuse, N.Y., Tom had an early love of music and joined the USMC band program when he entered the military in 1978. His military career led him to Anchorage where he chose to stay after serving at Elmendorf Air Force Base.

Enjoy these seasoned musicians, great food, drinks and company Friday, September 27th at five. No reservations required.

*Thank you to PCA member, Katy Nalley for musician bio and photos.
